

CRYOVAC®

Cryovac®
Brand

Resealable
Storage Bags -
Retail Packs

Tested against the toughest conditions, the innovative new Cryovac® brand resealable storage bags are proven to block out air and lock in flavor. With a global reputation for food storage technology and professional-grade durability, Cryovac helps you save both food and money.

Features and Benefits

- Kosher certified
- Made in the USA
- Perfect for storage of food and non-food items
- Write-on label for easy identification and date coding
- Film strength stands up to rough handling conditions
- Innovative double-zipper technology makes resealing easy
- Ultrasonically welded top corners minimize ripped side seams and leaks
- Available in 40 count gallon storage bags and 50 count quart storage bags

Use Directions

Caution:

For use in the microwave, open bag one inch to vent. Place bag on a microwave-safe dish. Handle with care. Bag and contents may be hot. Do not overheat contents beyond temperature of 180°F / 82°C for 3 minutes as bag may melt.

Warning:

To avoid danger of suffocation, keep bags away from babies and young children. The thin film may cling to nose and mouth and prevent breathing.

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
