Use Directions

Caution:

For use in the microwave, open bag one inch to vent. Place bag on a microwave-safe dish. Handle with care. Bag and contents may be hot. Do not overheat contents beyond temperature of 180°F / 82°C for 3 minutes as bag may melt.

Warning:

To avoid danger of suffocation, keep bags away from babies and young children. The thin film may cling to nose and mouth and prevent breathing.
