

SPITFIRE®

Spitfire®

Professional All Purpose Cleaner

Spitfire® Power Cleaner is the markets most beloved super-strength cleaner and degreaser. Add some fire power to your cleaning program!

Features

- Specially formulated to penetrate, dissolve and lift grease, grime, ink, crayon, marker, adhesive, gum, food soils, scuff marks and oil. Spitfire® can even remove graffiti!
- Red in color with a pleasant Fresh Pine scent

Benefits

- Works fast on tough dirt and soils without leaving residue
- Ready-To-Use and concentrated formula available for convenience and operational efficiency
- Has the power to rid kitchen of tough soils when other products can't

Applications

- Hard surface spray and wipe cleaning with a dry paper towel or cloth
- Ideal for kitchens, schools, offices, break rooms, day care centers, restaurants and other commercial facilities
- Can be used on counters, walls, stove tops, appliances, restroom fixtures, cabinets, floors, doors and concrete

Use Directions

Spray Bottle Application:

- Apply cleaning solution to surfaces to be cleaned. Do not use on glass, aluminum or water-based paint.
- Wipe with a clean dry cloth or sponge.
- Where soil load demands, let the cleaning solution stand for several minutes.
- If contact with a food surface occurs rinse with potable water.
- Do not use on glass, aluminum or water-based paint.

SmartDose™/MC Application:

Dilute product into a properly labeled spray bottle according to the dilution instructions on the side panel. Once the solution is made in the spray bottle, apply Spitfire® Power to the surface to be cleaned. Wipe with clean cloth or towel to dry.

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
